**Who we are:**

We are one of the oldest Figure Skating Clubs in the United States. Our Club was chartered in 1929. Historical skating greats include John Misha Pectkovich, Scott Davis and Kathy Casey. Avery Bandel, Stephanie Kazior and Jill Ahlbrecht all hold national titles. These skaters are National Champions, Olympic Medalists, Olympic Coaches and National Medalists.

Perhaps you, or someone you know, used to skate at the Four Seasons Ice Arena, the pond at Gibson Park, or even the ice arena that used to be in the Civic Center? Our town was once a sought-out destination for training in ice sports! We, the current skaters of Great Falls are very motivated to bring skating back to our community for all ages and abilities!

**Ice Time:**

GFFSC runs the Learn to Skate program, the starting point for hockey players, figure skaters, ice dancers, synchro skaters and speed skaters alike. Our skaters train before and after school as many hours as we can afford ice time while the rink is open from September to March. Would you or your business be willing to help us expand our passion for making art on the ice to a wider community? Here is the breakdown of what we pay for our ice time each week, and each season:

\$1,275 per week x 33 weeks a season = **\$42,075.00**

**Ice Show:**

The members of the Great Falls Figure Skating Club and Learn to Skate program proudly present an annual spring show. Our program is directed by Stephanie Kazior, a double Gold Medalist, 2022 National Get Up Ambassador with the United States Figure Skating Association and the 2023 Adult Silver Championship Bronze medalist. Our skaters are very excited to show off the skills they have learned over the season. We present this show to the members of our community who have so willingly and enthusiastically supported our club throughout the years.

Our cast includes skaters of all levels and ages - from tiny tots who have just learned how to put skates on for the first time to rising stars from the Great Falls and Helena Clubs and all the way up to U.S.F.S.A double and quadruple gold medalists. We cannot wait to entertain and dazzle our audience every spring!!

**Competition:**

The Great Falls Figure Skating Club hosts an annual competition, "Great Falls Open Figure Skating Competition". Skaters from all over the state, Wyoming and Canada attend our competition. Our skaters not only compete at local competitions but they attend the Big Sky State Games to qualify to attend the State Games of America and represent Montana. Some of our skaters also compete internationally!

We are hoping that you can help us this season by sponsoring our club and skaters. In addition to our personal gratitude and reciprocity supporting your business, we will acknowledge you or your business in the ways listed in the table below.

Please make checks payable to Great Falls Figure Skating Club or GFFSC. EIN # 81-0141753
