

GFFSC 2025
Spring Show Sponsorship

Spring Ice Show Program Ad:

Greetings fans of figure skating,

It is with great pleasure that the members of the Great Falls Figure Skating Club and Learn to Skate program proudly presents 'Heroes and Villains on Ice'. Our program is directed by Stephanie Kazior, a double Gold Medalist 2022 National Get Up Ambassador with the United States Figure Skating Association and the 2023 Adult Silver Championship Bronze medalist. Our skaters are very excited to show off the skills they have learned this season. We present this show to the members of our community who have so willingly and enthusiastically supported our club throughout the years.

Our cast this year includes skaters of all levels and ages - from tiny tots who have just learned how to put skates on for the first time to rising stars from the Great Falls and Helena Clubs and all the way up to U.S.F.S.A double and quadruple gold medalists. Our guest skater this year is Sonja Hilmer from Colorado Springs, Colorado. Sonja is an active member of Team USA who competes Nationally and Internationally. We cannot wait to entertain and dazzle our audience!

Please consider supporting our annual spring ice show with an advertisement in our program. Below you will find the various levels of support available.

Please make checks payable to Great Falls Figure Skating Club or GFFSC. EIN # 81-0141753
